

インターンシップ計画 Internship Plan (2020-21)

- ~~2020年春： 2020年2月～3月（終了）~~
- 2020年夏： 2020年8月
- 2021年春： 2021年2月～3月
- インターンシップ応募の依頼を超スマート社会推進コンソーシアム参加機関に行う。
- インターンシップ募集情報は開始の1か月前までにHP7に47掲載。

- Spring Internship 2020: February to March 2020 (finished)
- Summer Internship 2020: August 2020
- Spring Internship 2021: February to March 2021
- Request will be made to 40 SSS consortium partners.
- Application information of each partner is scheduled to be presented on the SSS Home Page at the latest one month before each internship.

募集状況 Application Information for spring 2020

	機関名 Institution Name	インターンシップのタイトル Internship Title	実施期間 Period
1	(株) クボタ Kubota Corporation	Advanced System Technology Laboratory	About one week (scheduled for March 2020), details to be discussed.
2	(株) 日立産機システム Hitachi Industrial Equipment Systems Co.,Ltd.	Hitachi Industrial Equipment Systems Design and development internship (1week)	2/17 to 2/21
3	マツダ (株) Mazda Motor Corporation	Research on analysis technology of vehicle big data during actual driving	Any 2 weeks in February through March
		Human behavior sensing and motion analysis technology	2 weeks in March
4	量子科学技術研究開発機構 Radiological Science and Technology (QST)	Quantum sensing using spin defects in wide band gap semiconductors	From 2/10 to 3/31 (the period is flexible.)
5	農業・食品産業技術総合研究機構 (農研機構) National Agriculture and Food Research Organization (NARO)	Internship course for university students, graduate students, and technical college students	Set for each program: See website for details
6	(株) 横浜銀行 The Bank of Yokohama, Ltd.	The Bank of Yokohama Internship for Tokyo Tech students	March (flexible for period)
7	ショーボンド建設 (株) SHO-BOND CORPORATION	1-day internship where you can experience construction management and design work in the field of maintenance and repair	11/22、12/6、12/19、1/16 2/13、2/21
8	(株) デンソー DENSO Corporation	Research on quantum annealing and machine learning (1-2 people)	2-3 weeks between 2/21 and 3/31
9	(株) KDDI総合研究所 KDDI CORPORATION	KDDI Research Inc. Spring Internship 2020	2/10~ , period negotiable
10	(株) ジェイテクト JTEKT CORPORATION	Development of production technology utilizing AI (machine learning and deep learning)	2 weeks from 2/10 to 3/31
11	(株) 安川電機 YASKAWA Electric Corporation	YASKAWA Tsukuba Research Laboratory, Field training internship	2 weeks from 3/2 to 3/19
12	アズビル (株) Azbil Corporation	Development 2weeks Internship	2/3 to 2/13
13	日本精工 (株) NSK Ltd.	(1)Drive motor for micro mobility robot (2)Micro-operation mechatronic element technology for regenerative medicine equipment	4 weeks from 2/10 to 3/31 (actual work days 18 to 19)

Summer Internship 2020

- 2020年夏のインターンシップの依頼は、コロナウイルス感染状況も考慮しつつ、5月末に行う予定。
- 感染が収束していない場合は「オンライン・インターンシップ」の可能性も検討する。
- 2020年春より多くの機関から、より多くの学生を受け入れてもらえるように依頼する。
- 留学生の利便性を考慮し多言語環境を受け入れていただくよう検討する。
 - Request for internship for summertime in 2020 is supposed to be made in the end of May, considering of the situation of COVID-19 spread-out.
 - Possibility of “On-line internship” will be sought for the case of that the spread of infection does not end.
 - More consortium partners will be asked to apply for internship and accept more students.
 - Such partners that accept multilingual environments will be sought in order to provide better benefit to international students.
